

Welcoming paradise pineapple & coconut eco-extract

Azelaic acid

Triterpenoid

Long-lasting toner

INCI: Cocos nucifera oil, Ananas comosus extract

ACTION

Thanks to the associated activation of the CASP14 and FLG genes, the Filaggrin of the skin is broken down, thus obtaining a natural hydration of the skin. In association with the expression of mitochondrial glutaminase essential for the generation of energy, the skin is toned with a long-lasting action.

CARACTERISTICS

Solubility: Soluble in oil

Aspect: Yellow clear

Total triterpenoids: 1%

Formulation: 70% Coco oil extract,

30% Pineapple extract

Recommended formulation: 5% - 15%

pH range use: 4 - 9

SUSTAINABILITY

Chemical solvent free

Palm oil free

Energy consumption: 0.46 kWh/kg

By-product of pineapple

Naturaless rate: 100%

Maison SEVESSENCE

Thanks to its unctuous, melting and penetrating texture, the product transforms into oil and then becomes milky on contact with water. A true ally of the skin, it offers gentle cleansing, is easy to rinse off and has the advantage of leaving a silky touch.

Parfum Sevessence : Exotic Fruit (0.5%). At the heart of exotic, invigorating and fruity sensations, the richness of pineapple, mango, papaya and coconut is revealed. More than a fragrance, a colorful and greedy hymn to vitaminized freshness.

Emulsion Key Ingredients : Pineapple lipodic extract (14.1%), Organic karite butter
