

PINEAPPLE AROMATIC WATER

INCI: ANANAS SATIVUS FRUIT EXTRACT

The tropical fruit per excellence, pineapple is a symbol of sweetness, sunshine, and vitamins.

Historically, in Guadeloupe, pineapple slices were a welcome gift for sailors, to quench their thirst after the long journey across salt water.

→ The Carib or “Kalinago people”, who lived in Guadeloupe at that time, also enjoyed hanging them at the entrances of their huts as a sign of hospitality.
